Rip Van Winkle returned from his long sleep looking fresh as a daisy and made his way to the village barber shop, not only because he needed a hair cut and shave, but also because he wished to catch up on the news.

"Let's see," said he to the barber after he was safely tucked in the chair. "I've been asleep 20 years, haven't I?"

"Yep," replied the tonsorialist.

"Have I missed much?"

"Nope, we bin standin' pat."

A man who is in perfect health, so he can do an honest day's work when necessary, has much for which he should be thankful. Mr. L. C. Rodgers, of Branchton, Pa., writes that he was not only unable to work, but he couldn't stoop over to tie his own shoes. Six bottles of Foley's Kidney Cure made a new man of him. A Beautiful Romance.

CRAB ORCHARD, June 8.—In August, 1900, I arrived in Harlan town, Harlan county, Ky. Circuit court was in session, Judge W. F. Hall presiding. I was immediately employed to defend John H. Nolin for two homicides. I called up as a witness, a dead man, and acquitted my client in 15 minutes. Was employed in 10 other felony cases. Stayed 17 days, boarding with a brother lawyer, with three beautiful daughters, Mary, 18; Mattie, 16; Susie, 10 years. All too old for me but Susie, the youngest, who played the organ for me three times a day. Ten times in the morning, 12 o'clock and 10 times after supper, making 30 tunes a day, but the same tune all the time. "There is a Land That is Fairer Than Day," was all I wanted to hear. In tendering my heart and hand to this beautiful mountain lass, whose dwelling cost \$6,000, and whose grand father owned 138 slaves in days ante-bellum, the bright little fairy said: "Mr. Bobbitt, if I wait six years for you, you will be six years older too when you come after me." This I did not dispute. But we became engaged, however. On May, 15, 1908, while at outs with another sweetheart, I wrote to this mountain beauty and received the following letter, which is an exhibition of female constancy and devotion scarcely paralleled in history, romance or fiction:

HARLAN, KY., May 24, 1908,

Mr. F. F. Bobbitt:—Your letter dated May 14th received, and although it was the greatest surprise of my life, it was the most pleasant one. I have never forgotten you, even though it has been many years since I last saw you. Mattie and I were talking about you the day before I received your letter. I just supposed you had forgotten me long ago. I most certainly am pleased to know that you still remember me. Yes, I have taught school some, but haven't been teaching for about two years. I am a stenographer now. I have thought at times that I never would teach another school. But all my folks want me to teach again this year. I think they would rather I would stay at home and teach than go away and work in an office. For my part I would rather work in an office. I was at Pineville all winter. I worked in the county clerk's office. Have been at home since April. How many sweethearts have you now, Mr. Bobbitt? I would have thought you would have been married long ago. I haven't a beau at all. Are you not sorry for me? I am getting so old and ugly nobody will have me. C? Do you think you will ever come to Harlan again? I would be pleased indeed, to see you. I don't suppose you would recognize me now. I have grown so much. I can still play "There is a Land That is Fairer Than Day." Every time I hear that piece I think of you. I remember the dress you gave me. I remember how proud I was when first I wore it. Oh, I never will forget you and your many kindnesses. Don't wait eight years before you write to me again. If you do I shall think you have forgotten me.

Very sincerely,

SUDIE S.

All my folks send regards. Answer soon.

Yours, S.

Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery many years, for coughs and colds, and I think it saved my life. Contrary to the expectation of almost every one who had formed an opinion, the Commonwealth was able to make out quite a strong case against Rufus Taylor for killing Harlan Carman at Walltown. It was claimed that the defense would prove that Carman was attempting to draw a pistol when the fatal shot was fired, but no such testimony was produced. On the other hand it was shown that Taylor was out "gunning" at the time and was thought was not particular what kind of game he found.

T. J. Spears died at his home on Indian Creek, 2½ miles above town, Monday. He had a stroke of paralysis several months ago, from which he never recovered, and death was perhaps a sweet relief to him. Mr. Spears was 77 years old and had lived in this vicinity all his life. Deceased had been a member of the Christian church for many years and had lived a consistent christian life. Rev. J. Q. Montgomery preached an appropriate funeral discourse, after which the remains were laid to rest in Middleburg cemetery in the presence of a large concourse of sorrowing friends and relatives.

DEMOCRATIC TICKET.

For Congress

HARVEY HELM

of Lincoln county.

SIXTEEN more votes were landed in the Taft column when the Republican National Committee disposed of the contests from Kentucky, along with one district in Florida and three from Georgia. After the First and the Fifth districts of Kentucky had been decided in favor of the Taft delegates, Senator-elect Bradley declined to continue with those from the Sixth and Eleventh districts, saying he would take them before the credentials committee of the convention. The National Committee then seated the Taft delegates. Mr. Bradley left the room in an ill-humor, declaring he was tired of the brace game that was being carried on.

SOME person signing himself T. P. E. in the Danville Advocate nominates Hon. Harvey Hay, of Boyle, for Senator to succeed Senator R. L. Hubble, of this county, claiming that it is Boyle county's time to furnish the Senator. Seems to us that it is of more importance to nominate a man who can win than it is to play the "time about" game. Senator "Took" has proven that he can win. What has he done that he should not be endorsed? Did he stick too close to Nominee Beckham for the one T. P. E?

FORMER SENATOR CHANDLER, in a speech to Negroes at Washington, advised them to vote against Taft and urged them to open negotiations with the democratic party to secure preservation of their rights. The New Hampshire republican told his colored friends that the democrats were not so bad after all. The old fellow seems to have gotten some sense in his "noggins" since Senator Blackburn pulled his ears.

A RAT saved the life of a St. Louis woman. It was not an ordinary, every day rodent, but one of those fearful things the women put in their hair. Miss Emma Lanahan was thrown with frightful force from her carriage, her head striking the pavement. The rat softened the blow or Miss Lanahan's skull would have been crushed, the doctors say.

SINCE the death of Gen. Stephen D. Lee, there remain but two surviving Lieutenant Generals of the Confederate army. They are Gen. A. P. Stewart, of Biloxi, Miss., and Gen. Simon Bolivar Buckner, of Kentucky. General Stewart celebrated his 88th birthday anniversary on October 7 last. Gen. Buckner is about 85.

JAMES B. STEARS, for many years associated with Harry McCarty in the publication of the Jessamine Journal, has bought of D. O. Croff the Nicholasville Democrat, and will edit it.

THE world is getting better, it would seem. The brewers, in convention at Milwaukee, declared for temperance. That means drink beer instead of red liquor, we suppose.

POLITICAL.

The first headquarters for candidates for Vice President were opened in Chicago for John Hays Hammond, of New York.

Indications are that Secretary Cortelyou will be advanced by the Roosevelt and Taft forces at Chicago as their candidate for Vice President.

It has been determined by the friends of Gov. Curtis Guild, of Massachusetts, that his name shall be presented to the Chicago convention as a candidate for Vice President.

MATRIMONIAL.

Joseph Leither and Miss Juliette Williams were married in Washington. Miss Bessie D. Ramsey, daughter of Louis H. Ramsey, of Lexington, was married this week to Stanley E. Platt, of Rising Sun, Ind.

News comes that Miss Pearl Burnside, formerly of this place, but now residing in Columbus, Ga., with her sister, Mrs. E. P. Owsley, will be married the latter part of this month to Mr. Richard Putnam, a prominent young merchant of Lebanon. The prospective bride is one of the finest young women any where and Mr. Putnam is to be congratulated on winning her heart and hand.

TANNER NUNNELLEY.—At high noon Wednesday at her home at McKinney, Miss Florence Tanner, the pretty and attractive daughter of Mr. and Mrs. K. L. Tanner, was joined in wedlock's holy bond to Dr. Henry C. Nunnelley, of Winchester. The ceremony was performed by Rev. J. L. Yandle, pastor of the Presbyterian church in this city. The bride was dressed in a handsome traveling suit of blue and her natural beauty showed to its best advantage. The house was tastefully decorated with both cut flowers and potted plants and the scene presented when the contracting parties took each other for the journey through life was beautiful and inspiring one. The ceremony over, an elegant five-course breakfast was partaken of by the large number of friends and relatives present. After this Dr. and Mrs. Nunnelley took a carriage for Rowland where they boarded a train for Winchester. They will go at once to housekeeping in a pretty home at 138 W. Hickman street, that city. The bride, who is a petite brunette, is a delightful young woman and is greatly admired by all who know her. She is the youngest daughter of one of the wealthy and influential families of Lincoln county and is accomplished to a high degree. The groom is a prominent physician of his city, is a close relative to the Nunnelleys of this county and is a pleasing gentleman. He is to be congratulated on winning so fair a bride. Many beautiful presents were sent by admirers of both Dr. and Mrs. Nunnelley and it took a whole room to display them. Dr. Nunnelley was accompanied by the following friends from his home town: Misses Alice Nunnelley and Ella Fishback and Dr. G. S. Brooks and Messrs. J. M. Nunnelley and A. J. Earp.

CASH-BAUGHMAN.—A beautiful home wedding was that of Miss Lita Belle Cash and Mr. Harry C. Baughman at the Cash residence on Danville Avenue at 8:30 Wednesday evening. Relatives and immediate friends were present and it was the consensus of opinion that a fairer or more lovable bride had not been seen for a long time. The elegant home was lighted with myriads of candles, while evergreens and potted plants added beauty and cheer to the auspicious occasion. A few moments after the appointed hour, the pretty little ribbon bearers, Misses Clara Cash and Catherine Harris, nieces of the bride, made their appearance in the parlors where the guests had assembled and they were followed by Eld. J. W. Hagin, of Covington, a brother-in-law of the new Mrs. Harry C. Baughman. Mr. Baughman and Miss Cash then came slowly in and facing the minister, who had taken his position before a large bank of ferns, smilax and other evergreens, they were pronounced husband and wife. The ceremony was an exceedingly pretty one and Mr. Hagin's well chosen words added much to its beauty. Considerable time was spent in congratulations, after which the guests repaired to the dining room, where refreshments served by Benedict, of Louisville, were enjoyed. The bride, who is the youngest daughter of Mr. and Mrs. J. F. Cash, was gowned in a creation of white satin that was exceedingly becoming. She wore the conventional bridal veil and carried a huge bunch of bride's roses. She was indeed a picture of beauty. Mr. Baughman wore a suit of black. Probably two more generally popular young people have not plighted their troths in years in Stanford than this happy pair. Mrs. Baughman is a charming woman, very accomplished and her sunny disposition makes those who love her most who know her best. Mr. Baughman is a fine business man and a gentleman at any and at all times. He is assistant cashier of the First National Bank of this place, and is filling that responsible position most acceptably. After refreshments had been enjoyed and a short while spent in conversing, Mrs. Baughman repaired to her room and exchanged her bridal gown for a traveling suit of blue. A few words of parting followed and then they were off for a bridal tour of the South, driving to Danville to catch a Q. & C. train. Miss Margaret Lewis, a cousin of Mrs. Baughman, gave Mendelssohn's wedding march very sweetly as the bridal party approached the man of God. There were no attendants. Mr. and Mrs. Baughman will be gone several weeks and on their return will go to housekeeping in their beautiful home on East Main Street, where the best wishes of their legion of friends will ever be with them. The bridal presents received were numerous and beautiful. Included in the lot was a check from the bride's father of five or six figures.

Onward was out of Lady and no more ever produced 2 such illustrious sons as Onward and Director. Onward Silver won the Transylvania and the 7 heat race, defeating such talent as Susie Jay 2:00 1/2 and Chain Shot. The same year he won the Banner Memorial and Massachusetts in broken harness. Don Varrick is a dam by Wilkes Boy by George Wilkes and a full sister to The Wag 2:15 1/2; 2nd dam, Mary Lou 2:25; 3rd dam, the dam of Rubber 2:10; Winchester 2:19 1/2; Billy Wilton 2:30 and Miss R. 2:28. GALTON 12910.

Season of 1908. Sire of Calvin C. 2:19 1/2; Al Burns, 2:29 1/2; and six others with trials from 2:30 to 2:38 those are the only ones that were ever handled for speed. Morgan Denmark.

This fine stallion will make the present season at the low price of eight dollars to insure a living colt. He has more Denmark blood than any living stallion as will be shown by his pedigree. Morgan Denmark was sired by the noted stallion On Time whose pedigree traces back to the Imported Hedgeford. Morgan Denmark's first dam, Lady Morgan, was one of the best sires and sired by Stonehill Jackson.

J. K. BAUGHMAN. High bred with white points, 16 1/2 hands, high large head and ears, heavy bone, was sired by Tarkington's Napoleon. J. K. is an excellent mule and jennet jack and a proven sure foot gaffer. As a breeder he has been true and proven second to none in this locality. He will stand at the low price of \$9 to insure a living colt. Jennets same terms as mares.

JOHN.

The noted Sam Cochran jack has been tried in this locality for 10 years and given satisfaction. He is in splendid condition to make the present season and will stand at the low price of \$7 to insure a living colt. You run no risk in patronizing such a jack.

BULL.

Will stand a fine Polled Angus bull at one dollar at the gate. He has proven an excellent breeder. The above mentioned stock will stand at my barn one mile North of Preachersville on the Lancaster and Crab Orchard pike. Mares and jennets grazed at a reasonable price. My individual attention given at all times and skilled service rendered, but not responsible should any accidents occur. R. C. PATTUS, Stanford R. F. D. No. 4. Bastin Phone 78 F.

Dorsey Goldust 12052.

THE WARFIELD

Trial 2:24 Trotting. Dark Bay Stallion, 16 hands; foaled August 1901, bred at Village Farm, East Aurora, N. Y. First dam, Nautica Girl by Rex American 2:30, 4-year-old record 2:11 1/2, sire of Battillon, 4-yr. record 2:10 1/2, American Belle, 3-yr. record 2:12 1/2, and 18 others in 2:30 list; a son of Onward 141, record 2:25 1/2, sire of Onward Silver 2:05 1/2, and 170 others in the 2:30 list. Onward was sired by George Hedges. 2nd dam Duerna, sired by Mambrino King 1:25, sire of 75 including Lady of the Manor 2:04 1/2, Lord Derby 2:10 1/2, Heir at Law 2:10 1/2, 6 others in 2:30.

The Warfield was bred to only 15 mares. He has 12 foals all up-headed plenty of style, size and substance and plenty of speed. The Warfield is a representative stallion in all the term implies. To say that he has size, substance and speed only in part emphasize the qualities combined in this son of Dare Devil. He has them and they are of such symmetrical character as to make him a stallion among many. His head and neck, body, feet and legs are perfect and when seen in connection with his faultless gait and great beauty are especially impressive. You should see this horse before breeding. You will say you never looked at a better one. The Warfield is the only stallion that has dams in the great brood mare list. He has two Mambrino King crosses, two Mambrino Patchen, two Mambrino Chief, one Chimney, one Onward, 1 George Wilkes, 1 Electioneer, 1 Nutwood, 1 Strathmore, more trotting crosses than any stallion alive.
The Warfield is by Dare Devil, 2:08, record 2:00. He by Mambrino King 1:25, he by Mambrino Patchen 58, he by Mambrino Chief II, Dan Mercedes, by Chimney 58 1/2, by Electioneer 125.
Dare Devil is a great winner. He won the championship at the National Horse Show in 1898, class 12; first National Horse Show in 1898, class 2; first National Horse Show in 1899, class 10; championship National Horse Show 1900, class 2; first National Horse Show 1900, class 3; first National Horse Show 1900 class 10; first Boston Horse Show 1902, class 1; second Boston Horse Show 1903, class 3; second Boston Horse Show 1903, class 2; reserve Boston Horse Show 1903, class 1; third Boston Horse Show 1903, class 7. In a spirited game of base ball Tuesday afternoon Stanford defeated Lancaster on the latter's grounds by the score of 5 to 3. Our boys were in fine form and each one played his part like a professional. Coffey and Penny did perfect battery work while Howell at short stop made some catches that bordered on the phenomenal. Lancaster's star performer was her umpire.

THE grand jury will be in session again to-day. It will investigate among other things the shooting at the circus in which Flavious Greer, a special policeman, caught two bullets in the right arm from a pistol in the hands of Tom Harris, a Negro. The body might also profitably spend a few hours looking after the illegal whisky sellers in Stanford. They are here and they should be punished.

A YOUNG fellow who sent threatening anonymous letters to farmers in Lincoln county and who was caught dead to rights by a detective, gladly compromised after being indicted, by paying \$325 and going to jail for six months. The postal authorities will doubtless get him also. This is paying pretty severely for the cowardly habit, but if anonymous letter writers learn a lesson from his punishment, he will not have suffered in vain. Of all the miserable cowards on earth, the letter writer who fails to sign his name is the most craven.—Frankfort Journal.

CLOYD.—Mrs. L. Jane Cloyd, the aged grandmother of Mr. George L. Carpenter, of Hustonville, died in that little city Tuesday afternoon and was buried in the Hustonville cemetery Wednesday afternoon after services by her pastor, Rev. H. C. Garrison, of Danville. Deceased was 83 years old and was the relict of Mr. Bennett Cloyd, one of Lincoln county's most substantial citizens in his day. Most of her long life had been spent in Lincoln but she has been a resident of Danville for a number of years. She is survived by one daughter, Mrs. D. S. Johnson, of Ponca City, Okla. In speaking of the ball game there Tuesday, a dispatch from Lancaster to the Lexington Herald says: The feature of the game was the catching of Mike Penny, of Stanford. This lad is only 14 years of age but puts up an exhibition of the game behind the mask that it would be well if some of the bigger fellows would emulate.

THE case of Mrs. Annie Engleman against the L. & N. was still occupying the attention of the Lincoln circuit court when we went to press. She is suing for \$30,000, claiming that her daughter was killed by one of the company's trains, on account of carelessness on the part of the trainmen.

SAMPSON.

This young jack will make this season at my farm where I live (the S. H. Baughman farm) 1/2 mile South of Stanford on the Somerset pike, at \$10 to insure mare colts and \$8 to insure horse colts. I consider Sampson a great breeding jack. All of his last year's colts were extra. I showed two of them at Stanford, Lancaster and Danville fairs and won both 1st and 2nd premiums in colting of 6 to 10 entries at all three fairs; also won 1st in the sweepstake ring at Lancaster. The only fair that gave a sweepstake. Eight of his 100 colts and four of his 100 colts are now on my farm to show for themselves. I will appreciate any mares sent to him and feel sure you will not regret sending. J. H. BAUGHMAN, Stanford, Ky. Phone 46.

PRESTON 922.

(Vol. II.)

Preston is one of the greatest five-gaited show horses that Kentucky has ever produced, winning at all the Kentucky fairs and also at the horse shows at Louisville, St. Louis and Kansas City. He is a brown horse with black points, 15 1/2 hands high, with fine style and very high action. Sired by Washington 54. First dam Bell, by Rhoderick 104. Second dam by Denmark. It is useless to commend him, as the people of this and adjoining counties know his record as a show horse and also for breeding purposes. He will make the season of 1908 at my stable in Crab Orchard at \$10 to insure a living colt. Will keep mares on grass at \$2 per month, but not responsible for accident or escape of stock. Antecarlo 2:26 1-2,

Made over Versailles track in winning race. Sired by Anteo 2:16 1/2, that sold for \$50,000 at public sale. 1st dam Mary Ann, by Hallstorm 818, son of Mambrino Patchen. These two crosses produced Fine Abbott, 2:05 1/2, champion trotting gelding of the world, 2nd dam by Independence, son of Andrew Jackson, Independence's dam by American Star. The American Star and Andrew Jackson blood is responsible for Cresceus, 2:04 1/2, the champion trotting stallion of the world. You see Antecarlo's two top crosses are responsible for the fastest gelding, two next crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of both. Antecarlo is a solid brown horse, 15 1/2 hands high, weighing 1,370 pounds, fine style and action. Will stand at \$10 to insure mare colts and \$8 to insure horse colts.

BUCK VARNON.

Black Jack with white points, 5 years old, 15 1/2 hands high. Fine breeder and great individual. A jack of fine bone and action. Will stand at \$10 to insure a living colt. Lien retained on colts for season money. Mares traded or bred to other horses forfeits insurance and makes season money due. All will stand at my farm on Ottenhelm pike 3 miles from Stanford. Mares grazed at \$2 per month. Care taken to prevent accidents, but not responsible should, and occur. DISHON & SMITH, Stanford, Ky.
